Beauty tweaks
can be made with
these tools!

SALLY HANSEN

Whether you tend to go to your favorite manicurist, always do your own nails or simply like to do it due to a last minute change, we highly suggest Big Polish Guards Cuticle Protectors. They ensure that your polish remains on your nails for a messy free manicure.

SCHICK

A major shaving innovation takes place with Intuition f.a.b. which goes forward and backward when you're shaving your legs or underarms. The easy glide gives you more control in this beauty routine.

CHEEKY PHYSIQUE

From the comfort of your home, you can focus on visibly firmer skin, reducing the appearance of cellulite and refining body contours for a sleeker, smoother look. Cheeky Cups are an easy to use Body Contouring Kit.

PATCHOLOGY

The eyes are the window to the soul! The FLASHPATCH Restoring Night Eye Gels can be worn rounded eye in for under eye bags, skinny side in to target crow's feet and over the the eyes to reduce upper eye lid puffiness!

LASHFOOD

When you make a mistake applying your eyeliner, use this Chamomile Makeup Eraser Pen. It has a charcoal ingredient that removes them easily!
