Bioelements

Age Activist® Clinical Youth Serum

Age Activist® Clinical Youth Serum by Bioelements is a coalition of youth-advocating ingredients that rally together to brighten, hydrate, and exfoliate; smooth roughness; improve the appearance of lines and pores; and target collagen for firmer, more elastic skin. Age Activist Clinical Youth Serum takes its place as the leader of Bioelements Age Activists category – an all-in-one formula that answers the rallying cry for a multi-tasking, multi-aging concern formula. 800-433-6650 or bioelements.com/pros

Cheeky Physique

Cheeky Physique's Tummy Sleek

Tummy Sleek is a sculpting serum that contains a trio of tummy-tightening ingredients to help firm the look of the tummy, waist, and love handles. Actigym™ (an award-winning ingredient derived from marine plankton extract), caffeine, and bitter orange extract invigorate and tone for smooth, supple skin and a more refined silhouette. Tummy Sleek is cruelty-free and formulated without parabens, phthalates, or sulfates. 619-431-0677 or cheekyphysique.com

[comfort zone]

REMEDY SERUM by [comfort zone]

REMEDY SERUM by [comfort zone] is an intensive serum with soothing and fortifying action, recommended for sensitive skin types prone to general and patchy redness. This light serum is delicately fresh and rapidly absorbed, it is ideal for using on its own in warmer climates, to protect sun- and heat-stressed faces; as an intensive product during the winter period; or on very dry skin, to enhance overall skin protection. 212-924-2454 or comfortzone.it

DMK-Danné Montague-King

NUTRASCREEN by DMK-Danné Montague-King

NUTRASCREEN by DMK-Danné Montague-King is great for daily use or a day at the beach. At last! A sunscreen that not only protects the DNA of skin cells from ultraviolet and UVB radiation, but also feeds the skin with proteins and protects it with antioxidants. All these benefits in a light, natural silicone base that keeps water on the inside but resists water on the outside with no grease or heavy feeling. 888-326-6348 or dannemking.com

Skinprint

Skinprint's Revive Multi Corrective Blemish Control Serum

Skinprint's Revive Multi Corrective Blemish Control Serum is a newly reformulated serum that works in four ways to treat blemish prone skin: fights inflammation, reduces oil, reduces skin bacteria, and hydrates with a non-greasy formula, which activates upon use. Skinprint's proprietary blend of ingredients in this extraordinary oil-free, light formula allows skin to become clearer, more smooth and hydrated without harsh active ingredients or heavy creams. 800-234-1308 or skinprint.com
